BEGINNINGS

I shuddered as the yellowed leaves
fell on me one last time
as I stepped away from the fogged
trees
into the path filled with light and
greener seeds.
The dead end behind me I still
dared not see
a fear had clasped his hand on my
heart
but released its hold when it saw
the spark in my eyes and the one far
beyond
of a freshness I had sought and had
now found

EVENTS SECTION

HINDI DIWAS

Our school celebrated Hindi Diwas with pride and enthusiasm during the morning assembly, honoring the richness of our national language. The program highlighted the significance of Hindi as a unifying thread of our culture and identity. Students and teachers alike reflected on its beauty and heritage, appreciating how it connects generations and regions across India.

DUSSEHRA CELEBRATIONS

Our school celebrated Dussehra with vibrant enthusiasm through an Inter-House Doll Decoration Competition that beautifully blended creativity and tradition. The event captured the true essence of Dussehra – the victory of good over evil – while fostering teamwork and cultural pride.

ONAM CELEBRATION

Our school celebrated Onam with joy and cultural spirit, filling the campus with colors and festivity. The highlight of the day was the Inter-House Pookalam Competition, where students created intricate floral designs that showcased Kerala's rich tradition and artistry.

INDEPENDENCE DAY

"Independence is not just a date on the calendar; it's a promise to ourselves and future generations."

With patriotism in their hearts, the students of NPS Jalahalli pulled off a successful and captivating ceremony celebrating our Nation's 79th independence day on the 15th of August.

The ceremony began with the interhouse marchpast, led by the school band and followed by the cabinet captains and the four houses - challengers, explorers, pioneers and voyagers.

The march past was followed by a series of breath-taking cultural programs, including electrifying dances, magnificent singing performances, fiery speeches and an amazing play by the students. This Independence day celebration was a portrayal of the students' commitment and respect towards the sovereignty of our nation, and the great struggles of our immortal freedom Fighters. Jai Hind!

TEACHER'S DAY

"A good teacher is like a candle—it consumes itself to light the way for others."

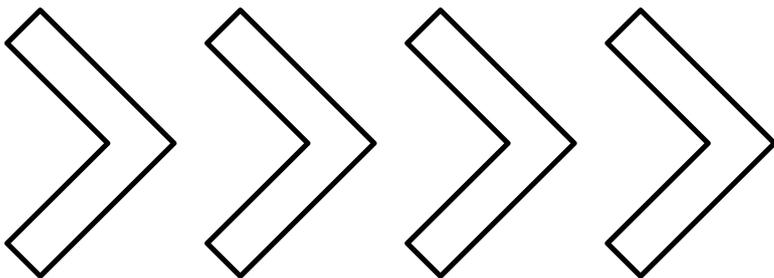

On Teachers' Day, NPS Jalahalli came alive with vibrant celebrations dedicated to honouring the guiding lights of our learning journey—our teachers. The celebration commenced with a melodious music performance, where students' voices filled the air with warmth, harmoniously expressing their respect and affection for their mentors

The dance performances by the Grade 9 girls and the Grade 10 girls and boys brought vibrancy to the celebration, showcasing their appreciation and affection for their teachers through graceful and energetic movements. A lively skit added humor and creativity to the celebration.

The students even organised games like dumb charades, basketball, badminton, etc for their teachers, and made sure that they had no other work than to have fun in the Campus Clash! The event concluded with a special awards ceremony honouring teachers for their dedication and excellence — a heartfelt gesture of gratitude for their constant guidance and inspiration.

GET, SET, GOA!

On the first trip to a beach, right after an intriguing visit to a museum that took them straight into ancient goa, the class 10 girls planned a surprise for their teachers - printed custom t-shirts bearing their teacher's most commonly said quotes!

On 17th September, Grades 9, 10 and 11 embarked on a 5-day long Magnificent and Super-thrilling School trip to Goa. The aim of the trip was to provide a great cultural and educational experience for the children

Also, a classy trip to a cruise that ran right next to the famous Panaji bridge lightened up the night for these students.

A trip to the churches also brought out a deeper understanding of Goa's unique heritage.

Not to mention the small outing when the students handpicked various souvenirs, while bargaining skillfully. But the journey there itself was a whole new vibe, with lots of music, dance and games while travelling in the bus.
